Sign up now to serve on the 2026 Grant Review Committee (GRC)

Sign-ups open until February 14, 2026

Play a vital role in our grant process by evaluating the grant proposals of nonprofit organizations seeking to make a difference in our community.

There are three easy steps to sign up.

Choose one of the four (4) different GRC options below and click on the button for that GRC. This will take you to that specific GRC Committee Page.

Click the BLUE "Sign Up" button. If you don't see a BLUE button, that means you're already a member of that specific GRC.

Click on the GRAY "Sign Me Up!" button.

After you sign up for the GRC, you will receive an email confirmation. If you do not receive an email, check your spam or check back to make sure you clicked all three buttons.

IMPACT GRCs review the grant proposals submitted by the largest nonprofits in our community. We accept proposals in two separate categories for this grant.

[*Click Here To Sign Up for IMPACT \(COMMUNITY WELLNESS & STABILITY\) GRC*](#)

IGNITE GRC reviews the grant proposals submitted by mid-size nonprofits (\$300k-\$1.5Mk in revenue). This is a NEW category developed to address the uniqueness of mid-size organizations. This category will accept and review proposals of all types from these mid-size organizations.

INSPIRE GRC reviews the grant proposals submitted by small nonprofits (less than \$300k in revenue). This category accepts and reviews proposals of all types from these smaller organizations.
